

Landscape Construction Project Manager

Absolute Landscaping—Canton MA

Absolute Landscaping is a Massachusetts-based provider of commercial and residential landscaping services. This is an outstanding opportunity for a dedicated Landscape Construction Project Manager to join a unique and elite company that's committed to innovation. We offer health insurance, paid holidays, paid vacation and a 401(k) profit sharing plan.

The Landscape Construction Project Manager is responsible for planning and executing all aspects of generally large, complex landscape construction projects. Duties include labor and subcontract management, accepting material at the site, customer relations and overseeing safety on the job. Ideal candidates will have a track record of successfully managing or being part of a multi-crew, multi-cultural landscape construction operation. Candidate should also have a good knowledge of plant material and horticultural practices, be well organized and detail oriented.

Job requirements:

- Minimum of 5 years experience in landscape/construction industry with a minimum of two years in a supervisory role
- Capable of operating required equipment and tools in a safe and responsible manner
- Ability to work under pressure and tight deadlines; including Saturdays at peak times
- Time Management skills
- Must possess a valid Driver's License
- Knowledge of specific materials, methods, tools and equipment required to complete various landscape/construction projects.
- Effective communication skills
- Solid plant knowledge
- Carry and use smart phone or data enabled device for communication and reporting
- Ability to read blueprints
- Ability to plow and/or shovel December 15th through March 15th a plus
- ICPI or NCMA certified hardscape installers preferred

Salary commensurate with experience. Email resume to Melissa@absolutelandscaping.net
