

Residential Landscape Manager

Absolute Landscaping, Canton, MA

Absolute Landscaping is a Massachusetts-based provider of commercial and residential landscaping services. This is an outstanding opportunity for a dedicated Residential Landscape Manager to join a unique and elite company that's committed to innovation. We offer health insurance, paid holidays, paid vacation and a 401(k) profit sharing plan.

The Residential Landscape Manager is responsible for overseeing all aspects of Residential Landscape projects. For this position, you'll do all it takes to keep job sites up and running—from pricing jobs to securing materials and staff and inspecting properties. You'll maintain and prioritize schedules, use resources knowledgeably and conduct quality checks. You will serve as the first line of customer contact on site, understanding their concerns and providing the appropriate immediate response. As a hands-on leader, you'll also be expected to drive our vehicles, lift/carry tree limbs and equipment, and see that all machinery and standards are strictly maintained, meeting quality and safety expectations.

Along with customer and managerial aptitude, you'll need to meet the physical demands of our work (extensive walking, bending, lifting/carrying 35 – 80 pounds often, outdoor weather conditions, and the dexterity to operate mowers, blowers and related machinery.)

A current driver's license and five years' experience, including two in a supervisory role, are required. A degree/coursework or certification in a landscape related field is strongly preferred.

Salary Commensurate with experience.
